Chief of Staff  
Multinational Battle Group-East

To whom it concerns:

The following is provided in reference for Mr. Driton Ajeti. As I understand it, Mr. Ajeti has been a dedicated employee of Deployed Soldiers Network, an internet service provider on Camp Bondsteel, for approximately the last five years. As a customer, in the number of months I have known him, I have found him to be technically proficient in his work. He presents himself well, displaying a likeable mild mannered personality, is very customer service oriented, and addresses issues in an efficient and timely manner. Mr. Ajeti has rapidly responded to my customer needs, as well as those of our soldiers, effectively fixing problems or concerns. From the experience I've had in dealing with him I can say with confidence that he would be an excellent employee and should be strongly considered for hire in an IT type position.

Should you have any questions regarding this reference, I can be reached at phone: 045-328-320, or email at: [lannie.runck@EUR.ARMY.MIL](mailto:lannie.runck@EUR.ARMY.MIL)
